

My Trip to The Hideaway

I enter The Hideaway through the front door.

I walk down the corridor and go through the door.

I can walk up the stairs or take the lift. The lift is very slow but it will help me if I cannot walk up the stairs.

I may have to wait patiently and line up with my adult before going into the play area.

When I am allowed in, I will walk up to the desk where a friendly member of staff will sign me in.

As I walk in, I will see a big wooden boat. The boat is Noah's Ark and has more seats at the top and a classroom inside.

I may see adults working in the classroom. Sometimes I might be meeting [] in the classroom.

There are lots of areas for me to play in. I may have to wait patiently before entering each area.

I can play in the Role Play area.

I can play in the Consruction Zone.

I can play on the Bouncy Castle.

I can play in the Craft Area.

I can play in Woodland Area.

I can play in the Sensory Room.

I can play in the Soft Play.

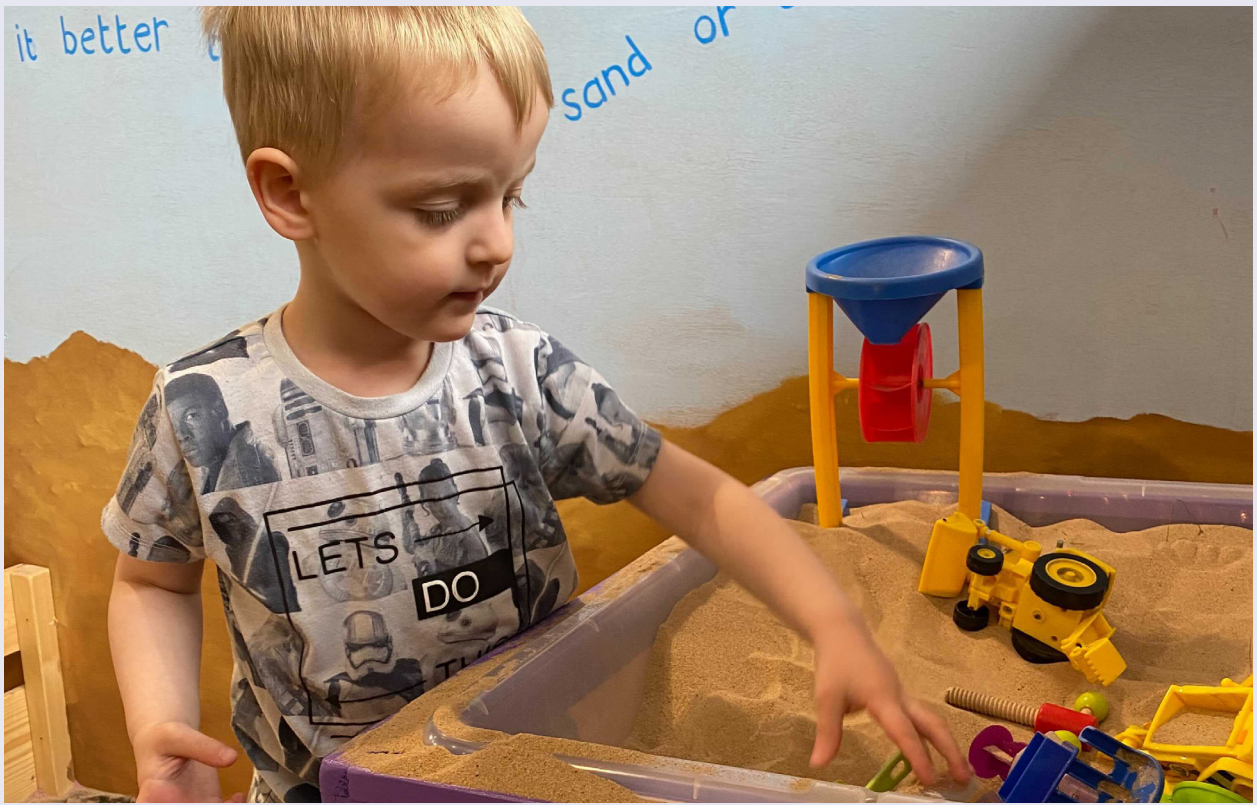

There is a café where I can have a drink and some food.

There are toilets in the café. My adult will have a coloured wristband which matches the cubicle we can use.

The staff at The Hideaway all wear purple t-shirts and will help me if I need it.

I can have lots of fun playing at The Hideaway!
